Thursday - World Book Day.

We are very excited for a fun-filled day on World Book Day celebrating books as well as illustrators. This year, the children will be participating in many wonderful activities, including a workshop with a local artist (a very talented parent from our school)! Within the workshop, Year 3 and 4 children will be designing and sketching characters and Year 5 and 6 will be using mixed media artwork to create scenes from the children's book: The Last Bear. Please look out for the artwork as it will be displayed outside our school hall as soon as possible. Lots of photographs will also be shared on our school Instagram page and our website.

We are very much looking forward to seeing the children having a lovely day and celebrating books and reading.

Children are allowed to dress up as characters from one of their favourite books. This is a wonderful opportunity for our pupils to celebrate their love of reading and to express their creativity. If any child does not want to dress up, they are welcome to come to school in their uniform and if they wish to bring a prop from a book, they are very welcome to.

Thursday - We also have a special menu to celebrate World Book Day - you will find this attached to the week ahead email.

Friday - #LetGirlsPlay Football event

Friday 7th - 14th March

Science, Technology, Engineering and Maths

We're very excited to be celebrating STEM week starting on Friday 7th until Friday 14th March.

	<p>To kick off our week in style, we're inviting parents into class to play maths games with their child on Friday 7th 9:15-10:15. The sessions will be teacher led and should be a fun way for you to see what we do in Brackenwood. If you have more than one child in school, you can split the time between classes. Parents, carers, grandparents are all welcome and you don't have to commit to the full hour if you're strapped for time. Please complete the short google form to let us know you'll be attending <a href="https://forms.gle/yV6WtkpdBij7zrq9">https://forms.gle/yV6WtkpdBij7zrq9</a></p> <p><b><u>Social Media</u></b></p> <p>We are excited to announce that our school is switching its primary social media platform from X (formerly Twitter) to Instagram! We love using social media to showcase the incredible things our students and staff achieve both in and out of the classroom, and we believe Instagram provides a safer and more engaging space to do just that. With the ability to make our account public while maintaining a secure environment, we can share even more of the fantastic activities, events, and achievements happening at our school. Instagram's visual format allows us to highlight our students' experiences in a more dynamic and interactive way, helping us celebrate their hard work and creativity. We look forward to continuing to connect with you and share our school's journey—be sure to follow us!</p> <p>As our account is private, you will need to send us a friend request. Once accepted, you will be able to see everything we upload. Our instagram account name is: @brackenwoodjuniors</p> <p>Kind Regards,</p> <p>Miss McKinney</p>
