

	<p>We had so much fun on our trip to the world museum! The children demonstrated great knowledge of the Egyptians during our Egyptian workshop. It has been a wonderful year getting to know all of the children across year three. They have done an amazing job of adapting to Brackenwood Juniors and are now more than ready for the challenges of year 4. We look forward to seeing them all grown up next year walking around school and looking after our new Year 3s. Please send your child in with a plastic bag on Monday morning as we will be gradually sending books home over the week. Beginning with the books they have already completed this year. We find it works better this way instead of sending the children out of school on the last day with the world's heaviest bag that they can barely carry.</p> <p>Thanks again for all your time and support of this academic year. It has been much appreciated.</p> <p>Mr Williams and Mrs Beesley</p> <p>Parents of the children detailed below are invited to join us in our celebration assembly on Friday 18th July. The children have been working incredibly hard to bring this performance to life, and we are so excited to share their efforts with you. It's a fantastic way to celebrate the end of an amazing year and mark the end of their primary school journey.

Due to health and safety regulations, each child is allocated 2 adult seats for the performance.

We can't wait to welcome you to what promises to be a truly memorable show!

Thank you for your continued support,

The Year 6 Team

On Thursday afternoon, the children will be taking part in their Year 6 water fight. Children are invited to bring in water guns, a spare set of clothes (including underwear and socks) and a towel to make sure they are prepared for this.

Also on Friday, as it is their last day with us :(, the children are also invited to bring in a spare shirt/polo shirt for people to sign. The classes will be given time for them to get these signed on the day.
