

Week ahead information – w/c 11th November 2024

Whole School information

As a busy school with lots of wider opportunities taking place for our children e.g. competitions, trips, events; communication from school can at times I'm sure, seem overwhelming. In order to minimise communication but still be very effective in delivering key messages to our community all reminders, information about events will be kept to the week ahead weekly sent every week. We will try to minimise Arbor emails and in-app messages being sent out and stick to having key messages on this document. Letters sent home will likely be consent forms. The week ahead will be displayed on the website every week for parents to check weekly communication.

Parent Survey - I'd really love to know your thoughts on how we are doing and any ways we can make improvements. We want to hear the good, the bad and the ugly :) I certainly feel that the positivity and relationships between school and parents have improved significantly, I think you guys are awesome but I am always looking for ways to improve and do better. It would also be wonderful to know your thoughts on what is going well and the positive initiatives you are happy with, to know which processes and models we should continue to drive forward. Please click on the link below to give us your thoughts.
