

❖ 🎄 Wirral Schools Christmas Card Competition 2025 🎄 ❖

Wirral Ark, a local charity supporting people without a safe and warm place to call home, is inviting your child to take part in our **Wirral Schools Christmas Card Competition!**

👤 **This year's theme is:** *"Christmas at Home"*

We'd love to see your child's ideas of what "home" means to them at Christmas. It could be:

💡 Snuggling by the fire

🎁 Decorating the tree

👤 Sharing delicious festive food

🐾 Spending time with family and pets

...or even including Wirral Ark's friendly mascot **Ted Without a Bed!** 🐻

🏆 The Competition:

- A judging panel will select **6 finalists** from all entries.
- All finalists will receive a **special prize** and their artwork will be shared on our website and social media.
- The public will then get to vote for the overall winner—so every vote will count!

🏆 1st Place Prize:

The winning design will become **Wirral Ark's official Christmas card**, printed and sold across the Wirral to raise funds for people in need this winter.

✍ How to enter:

- Children can use crayons, paints, pencils—any materials they enjoy. **No 3D materials.**
- Please use the template attached to this email (any artwork outside the box won't be printed).
- Make sure to include your child's **name, age, and school** on the front of the entry.
- Your child has been sent home with the Christmas card template.

This is a wonderful way for children to get creative, celebrate the festive season, and make a difference for others. We can't wait to see their Christmas card designs! 🎄 ❖

Please return your child's Christmas card entry to Miss McKinney by Friday 26th September.

Kind regards,

Miss McKinney
