Y3	<p>It's been another fabulous week in year 3, the children are still working so hard and we couldn't be more proud of them. We will begin practicing our harvest assembly next week in preparation for our performance at Christ Church on the 21st of October.</p> <p>Parents of the children detailed below are invited to join us in our celebration assembly on Friday 26th September. Please arrive at 2:05pm for a 2:10pm start. The children receiving awards are:</p> <p>3S Louie Marcie Remi</p> <p>3W Havalah Russell Lucas</p>
Y4	<p>We've had another great week in Year 4 with all the children working really hard in lessons. We have been particularly proud of 4W and how well they have behaved and engaged with their swimming lessons this week. We have received very positive feedback from the specialist swimming teachers about how impressed they have been with all the Year 4 children over the last couple of weeks and how well they have represented our school.</p> <p>As you know, the children in Year 4 will be taking a multiplication times tables check in June. In preparation for this, we are doing lots of times tables practice in school and sending home times tables sheets as part of their weekly homework tasks. In addition, please can all of the children log on to TTRS at home, whenever possible, to help improve their fluency and speed of recall. The soundcheck on TTRS mimics the MTC test they will be taking in June so this is a good activity to try at home to get used to the speed of the questions in the actual test in June. If your child does not know their TTRS login details, please let us know and we will let them know what they are.</p>

	<p>Can we also give a gentle reminder that hair should be tied back for school and particularly for PE lessons and that children should not be wearing any jewellery for these lessons. If earrings can't be removed, please can these be covered with tape for health and safety reasons.</p> <p>Many thanks.</p> <p>Mrs Kavanagh and Miss Worthington</p> <p>Parents of the children detailed below are invited to join us in our celebration assembly on Friday 26th September. Y6

We've had another gorgeous week with our lovely Year 6s. We're super proud of everyone who took the 11+ on Monday and hope those who took (and are taking!) the St Anselms and Upton Hall entrance exams do their very best!

A reminder that next week 6D are going swimming so please bring in everything you need for that for each afternoon - swim shorts/costume, goggles, towel. Long hair should be tied back. We usually find that a plait is best as it can stay in place afterwards.

In the mornings next week we will be baseline assessing the children based on the 2023 SATs papers. We will be telling the children that there is absolutely nothing to worry about with these tests as they are for our own assessment, so please reiterate that at home too.

Parents of the children detailed below are invited to join us in our celebration assembly on Friday 26th September. Please arrive at 2:05pm for a 2:10pm start. The children receiving awards are:

6D - We are swimming next week. Certificates will be given out in the following week's assembly on Friday 3rd October
