Dear Parents and Carers,

Despite always striving to be highly inclusive, we are always looking for ways to further enhance inclusivity - both for our children and within our wider community. We understand that English may not be your first language, and you may find it easier to read our communications in the language you are most comfortable with.

To help with this, here is a simple tip you may find useful (you may already know it!):

1. Open the letter in **Google Docs**.
2. Click on '**Tools**' in the top menu.
3. Select '**Translate Document**'.
4. Give the document a name and choose your preferred language.

We hope this makes it easier for you to access important school information and stay fully involved in your child's learning.

If you have any other suggestions for how we can improve inclusion or accessibility, please send your ideas to Ms Woodall.

Thank you for your continued support.

Yours sincerely,

Ms Woodall
