<p><b>SEND</b></p>	<p>As some families may be aware, the way referrals for ADHD, ASD and Dyspraxia concerns are completed is changing. Schools have not yet had a great deal of information regarding the new protocol for this but we have been advised the change is likely to take place from January.</p> <p>We are therefore asking all our families who have been considering referrals or in the process of completing them with school to work with staff to complete the home sections of the existing 0-19 forms <b>by the end of November</b>. This gives school staff and myself time to complete the school sections and submit them to the existing pathway.</p> <p>We are aware the new referral process will involve the This is Me Profiling Tool and once we have more information on the submission of the applications, we will share this with our families.</p> <p>Here is a link to the information available to parents about the changes.</p> <p><a href="https://www.cheshireandmerseyside.nhs.uk/your-health/cheshire-and-merseyside-neurodevelopment-pathway/this-is-me-profiling-tool/">https://www.cheshireandmerseyside.nhs.uk/your-health/cheshire-and-merseyside-neurodevelopment-pathway/this-is-me-profiling-tool/</a></p> <p>Attached to the email is also a leaflet from Riding the Rapids regarding a parent course starting in January. If any parents are interested, please email me directly <a href="mailto:senco@brackenwood-junior.wirral.sch.uk">senco@brackenwood-junior.wirral.sch.uk</a> by Wednesday 26th November as there are only 2 places available. You will need to be able to commit to the course and your child must have an ASC diagnosis :)</p> <p>Ms Balmer</p>

We have shared lots of photographs on Instagram so if you have not seen these already then please do check them out. Next week is our school book fair, this will be after school every day next week.
