Whole School Reminders and Information	Headteachers Award - this will be presented in Friday assembly to recognise exemplary contributions to our school values and ethos. This week's Headteacher Award will be given to Robyn (4W) & Brooke (6D). Parents/carers are invited to our assembly Friday 18th September. Lunch menu – week 3 We are pleased to invite the parents/carers of our School Ambassadors and Autumn Anti-Bullying Ambassadors to join us for our assembly this Friday (A separate communication has been sent to the relevant parents/carers regarding this). Please could you arrive by 2.00pm, as the presentation for the Ambassadors and Autumn Anti-Bullying Ambassadors will take place before the main assembly begins at 2.30pm. We look forward to welcoming you. <u>Parental permissions/consents</u> We are moving our permissions from paper to online through Arbor. This includes arrangements for the end of the school day pickups. If you have not already done so, please could you update your child's permissions on Arbor as soon as possible. In the notes section, please include any important information we need to know, such as: • Where your child should meet you • The name(s) of the person/people who are authorised to collect your child • Any other relevant collection arrangements Thank you for your support in helping us make this process as smooth and safe as possible. <u>Fidgets and sensory</u> We would like to remind families about bringing fidget toys into school. Recently, we have had a large number of fidget toys being brought in from home. Unfortunately, these can sometimes become a

	distraction during lessons and, as they are often misplaced or broken, this can also cause upset for children. As a school, we have therefore made the decision that fidget toys from home should not be brought into school. We recognise that some children benefit from sensory resources to help them regulate and focus. Where this is identified as a need, children will have access to an appropriate school-owned fidget or sensory resource during lessons. This will be agreed as part of their individual support plan where appropriate. Each classroom has a selection of sensory resources to support a range of sensory needs, and staff will help children to access these when needed. We appreciate your support and understanding with this. If you would like to discuss your child's individual sensory needs or have any questions, please feel free to speak to your child's class teacher or Ms Balmer. Thank you for your continued support. <u>Governor Vacancy</u> Just a reminder we are looking for nominations for a parent governor. Please complete the nomination form sent out on Monday 7th September and you can include a bit about yourself with the nomination form on a separate word document/paper. <u>Free School Meals</u> A reminder the eligibility criteria has changed and more people are eligible especially if you receive universal credit. Please apply anyway through the link below https://www.cloudforedu.org.uk/ofsm/sims-wirral/
