

## What have we been talking about in school?

Rights Respecting Schools was back on the agenda last week, and all classes took part in activities linked to the Rights Respecting Schools Outright Campaign for 2021. This year, the focus is on developing children's understanding of mental health issues, and children throughout the school designed their own "Emotion Wheels".

## Children in Need 2021

Thank you to everyone for your donations to Children in Need 2021. This year, we raised £183.

## Pupils in the Spotlight– George (Y6)

George is a very talented dancer. He was recently part of a group of five dancers (aged 10-12) who entered the *That's Showbiz* competition in Ellesmere Port with a classical ballet dance. The group was awarded first place in their age group, first place in the classical genre and first place in the small group section. They won the first place trophy as overall winners of the whole competition out of a total of 50 teams. George dances at the Complete Works Performance School in Bebington. An incredible achievement, George. Keep dancing!
