

Oak Trees MAT Children's Challenge

Every year, we challenge you to complete 10 activities. Take a picture of yourself completing the challenges and then, towards the end of the year, bring the pictures to school and make a collage of the activities.

If you are able to achieve all 10 you will receive a certificate and a badge at our awards ceremony.

Rationale

No matter of class, race, gender, religion or location, we want all Oak Trees children to experience a rich childhood that capitalises on the local environment and culture of Wirral. The challenge aims to motivate the children to:

- explore their locality
- develop their independence
- grow their creativity and imaginations
- use their leisure time wisely
- become respectful citizens
- collaborate with others
- Spend time with loved ones
- enhance their cultural capital
