

BRACKENWOOD JUNIOR SCHOOL

Medium Term Plan – Year 4 Spring 2

Computing	<u>Coding</u> <ol style="list-style-type: none"> 1. I can develop programs that respond to timed events 2. I can construct a program using structures that repeat area of code 3. I can identify the benefits of using a loop 4. I can break complex tasks into smaller repeatable sections 5. I can define circumstances when parts of a program should run away 6. I can translate spoken language conditional statements into a program
Geography	<u>Volcanoes</u> <ol style="list-style-type: none"> 1. I can explore what the earth is made of 2. I can identify tectonic plates on a map 3. I can name 3 types of volcanoes and their features. 4. I can understand the effect of a volcano on the environment 5. I can research and discuss major natural disasters in history (Pompeii).
Art	<u>Roman Pen and Ink Art</u> <ol style="list-style-type: none"> 1. I can draw an outline of the Roman Colosseum. 2. I can use mark making to create shade and tone. 3. I can use wax and ink to create lighting effects.
PE	<u>Multi-Skills</u> <ol style="list-style-type: none"> 1. I can perform fundamental movement skills in a range of activities 2. I can demonstrate an understanding of effective leadership 3. I can demonstrate improvements to my work 4. I can confidently demonstrate creativity in my work with control 5. I can demonstrate how strategies and tactics can improve my work
PSHE	<u>Healthy Me</u> <ol style="list-style-type: none"> 1. I recognise how different friendship can groups are formed, how I fit into them and the friends I value the most 2. I understand there are people who take on the roles of leaders or followers in a group, and I know the role I take on in different situations 3. I know myself well enough to have a clear picture of what I believe is right and wrong
RE	<u>Christianity-Easter</u> <ol style="list-style-type: none"> 1. I can understand what forgiveness is 2. I can recall the story of The Last Supper 3. I can express what forgiveness is
Science	<u>Sound</u> <ol style="list-style-type: none"> 1. I can explore how we can change the pitch of instruments that are played using air describe what I know about sounds. 2. I can investigate how to make the best string telephone 3. I can investigate how we muffle sounds 4. I can investigate the strength of a biscuit (Science Week) 5. I can measure sound with a decibel reader (link to ICT and graph making) 6. I can record my data on a graph and analyse it

A Sense of Enterprise	Homework Project	Ideas for Display
	Create your own model of a volcano.	Volcano Newspaper Reports
Learning outside the classroom	RRSA	Local cultural links including trips and visits
A program using structures that repeat area codes	The right to live in a safe place (volcanoes) The right to choose your religion (RE) Globingo
