

What has been happening in school this week?

Year 4 have been taking part in a project with Sustrans, exploring ways in which they can improve their local area and increase levels of safety in our community. They have been out on our local streets conducting surveys, and have developed some great ideas for the designers, who will be coming to school to work with them in the near future. Well done, Year 4!

In our recent assemblies, we have been discussing and exploring our awareness and understanding of shared British Values. Children have been talking about the ways in which the values of democracy, rule of law, individual liberty, respect and tolerance of others affect their experiences, behaviours and choices in school.

A big "thank you" to our School Council for their involvement in providing all classes with new play equipment for use at breaktimes and lunchtimes. These will be introduced next week, and will no doubt help to make outdoor play a really fun experience for all pupils!

Dropping Off and Picking Up

Please can I ask parents and carers not to park directly outside the school gates when dropping off and picking up from school. Doing so causes genuine congestion problems for other road users, and makes the roads around school very unsafe for our children. Thank you.
