

What has been happening in school?

World Book Day

There really were some impressive costumes on display for World Book Day last week. What an incredible effort you all went to! I hope you were able to learn a few new words—I certainly did!

Donations for Ukraine

The amount of donations we received to support the people of Ukraine was astonishing. Thank you so much for your amazing response. A substantial amount of your contributions made it to the Wrexham depot at the end of last week, and will be part of the convoy which leaves for Poland this weekend. The rest of your donations will be delivered in the near future— just as soon as the depot has the capacity to accept further donations from the public. Click on the QR Code below for further information about this project, as reported on ITV over the weekend— such a worthwhile cause for our school to be a part of. Thank you for your support!

Y3 Thumb Up Workshops

Year 3 children will be participating in six Thumbs Up sessions this half term. This *Emotional Growth Programme* focuses on developing resilience and on teaching children how to talk about their emotions and feelings. Getting children to talk about these things really does help with their emotional growth, and I am sure the children will find the sessions both useful and enjoyable.
